# Brickstop 4" Aluminum Landscape Edging

1.800.565.2599

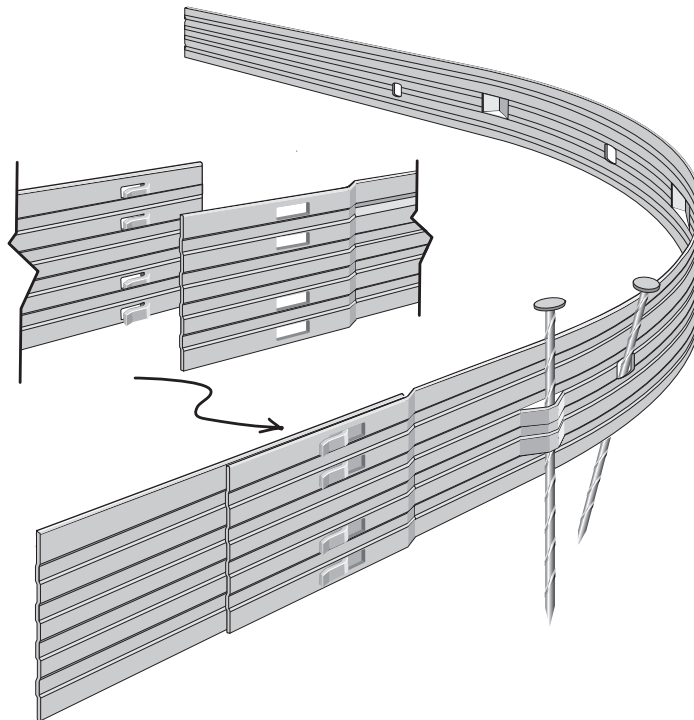

brick@brickstopedge.com

www.brickstopedge.com

## Planting bed edging in both residential and commercial

Edging for walkways • Running tracks • Maintenance strips • Jogging trails • Asphalt borders

**WITH SNAP-IN INTERLOCKING TABS ORIGINAL #210**

### KEYHOLE INTERLOCKING SYSTEM

Lengths are easily and quickly connected.

### SUPERIOR REINFORCEMENT – 8 FT. LENGTHS

Rigid enough to provide perfectly straight lines; flexible enough for the most demanding curves.

Lengths longer than 8 ft. are ineffective in maintaining straight lines over long runs.

No need to use heavier gauge or more costly material to maintain straight runs.

### HEAVY DUTY 11/8" NAIL HOLES EVERY 23"

### STEEL NAIL ANCHORING

spiral 10" nails readily available

SIZES: .125" x 4" (3.2mm x 100mm) residential/commercial

FINISHES: Natural aluminum or black anodized

LENGTH: 8'0" (2.44M) sections – nail every 23"

NAILS: 10" x .375" spiral steel nails (nails not included)
